

# Standard Life Pension FTSE Tracker Fund - 31 March 2009

## Fund Description

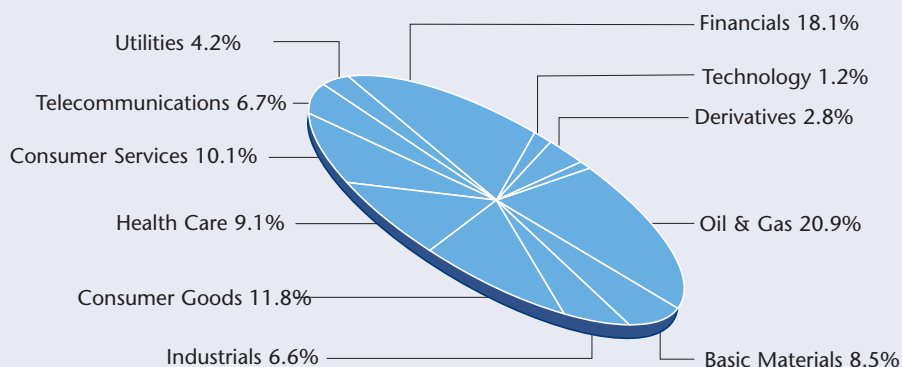

The fund (before charges and tax) aims to closely track the performance of the FTSE All-Share Index, allowing for reinvestment of dividends. The fund invests in a broad spread of the UK listed equities which are constituents of the FTSE All-Share Index.

The value of investments within the fund can fall as well as rise and is not guaranteed – you may get back less than you pay in. The fund may use derivatives for the purposes of; efficient portfolio management, reduction of risk or to meet its investment objective if this is permitted and appropriate.

This document is intended for use by individuals who are familiar with investment terminology. Please contact your financial adviser if you need an explanation of the terms used.

The FTSE All-Share Index is calculated solely by FTSE International Limited ("FTSE"). FTSE does not sponsor, endorse or promote this product. All copyright in the index values and constituent list vests in FTSE, FTSE is a trademark jointly owned by the London Stock Exchange Plc and The Financial Times Limited and is used by FTSE under license.
